

FALL RETREAT REFLECTION

What To Do:

- Read the passages, prayerfully considering how it's going in each of these areas.
- Praise God for things that are going well.
- Confess if there is sin holding you back.
- Ask for help in areas that seem really hard.
- Then, consider - what's your next step? Choose something specific and practical.

1. Read **Philippians 3:7-10; John 15:1-5:**

- a. How's it going with your personal relationship/intimacy with the Lord - encountering Him through His Word, prayer, daily life, and responding to His leading?
- b. Next step?
 - i. (Example: My Bible reading is sporadic. I need to set an alarm 15 minutes earlier so that I have a consistent time with the Lord each day)

2. Read **Proverbs 27:12; Acts 2:42 - 47:**

- a. How's it going with having Christian community right now - having people that know you deeply and push you toward a fully surrendered relationship with Jesus?
- b. Next step?
 - i. (Example: I need to have a conversation with (name of a Christian friend) about a struggle for which I need their prayer/encouragement/ accountability)

3. Read **Matthew 9:35-38; Matthew 28:16-20; Philippians 2:2-3:**

- a. How's it going with being on Jesus' mission - showing God's love and sharing about it with people who don't know Him yet?
- b. Next step?
 - i. (Example: I have several friends that don't know Jesus but I've never shared my story or the Gospel with them. I commit to pray every day for courage and for God to open doors for me to do so.)

4. Pray and ask God if there are other areas on which He wants you to reflect!
